Section 1. Annual Meetings. The first annual meeting of the Members shall be held within one year from the date of incorporation of the Association, and each subsequent regular annual meeting of the Members shall be of the same month of each year thereafter.

Section 2. Special Meetings. Special meetings of the Members may be called at any time by the president or by the Board of Directors, or upon written request of the Members who are entitled to vote one-fourth (1/4) of all of the votes of the Class A Membership.

Section 3. Notice of Meetings. Written notice of each meeting of the Members shall be given by, or at the direction of, the secretary or person authorized to call the meeting, by mailing a copy of such notice, postage prepaid, at least fifteen (15) days but not more than sixty (60) days before such meeting to each Member entitled to vote, addressed to the Member's address last appearing on the books of the Association, or supplied by such Member to the Association for the purposed of notice. Such notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting. Evidence of

compliance with this fifteen (15) day notice shall be made by an affidavit executed by the person providing the notice and filed upon execution among the official records of the Association.

Section 4. Quorum. The presence at the meeting of Members entitled to cast or of proxies entitled to cast thirty percent (30%) of the votes of the membership shall constitute a quorum for any action except as otherwise provided in the Articles of Incorporation, the Declaration, or these Bylaws. If, however, such quorum shall not be present or represented at any meeting, the Members entitled to vote in attendance shall have the power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum as aforesaid shall be present or be represented.

Section 5. Proxies. At all meetings of Members, each Member may vote in person or by proxy. All proxies shall be in writing and filed with the secretary. Every proxy shall be revocable and shall automatically cease upon conveyance by the Member of his Lot.

Section 6. Right to Speak. Members shall have the right to attend all membership meetings and to speak at any meeting with reference to all items opened for discussion or included on the agenda. Notwithstanding any provision to the contrary in the Governing Documents or any rules adopted by the Board or by the Members, a Member shall have the right to speak for at least three (3) minutes on any item, provided that the Member submits a written request to speak prior to the meeting. The Association may adopt reasonable written rules governing the frequency, duration, and other manner of Member statement, which rules must be consistent with this Section.

ARTICLE IV

BOARD OF DIRECTORS; SELECTION; TERM OF OFFICE

Section 1. Number. The affairs of this Association shall be managed by a Board of three (3) directors, who need not be Members of the Association.

Section 2. Term of Office. At the first annual meeting the Members shall elect one director for a term of one year, one director for a term of two years and one director for a term of three years; and at each annual meeting thereafter the Members shall elect one director for a term of three years.

Section 3. Removal/Recall of Directors.

(a) Voting Procedures. Any director may be removed from the Board, with or without cause, by a majority vote of the Members of the Association. When the recall of more than one Director is sought, the written agreement or written ballot shall provide for a separate vote for each Director sought to be recalled. In the event of death, resignation, removal, or recall of a director, notwithstanding anything else herein to the contrary, the successor shall be selected by the remaining Members of the Board and shall serve for the unexpired term of his predecessor; provided, however, if vacancies occur on the Board as a result of a recall and a majority or more of the Board of Directors are removed, the vacancies shall be filled by a vote of the Members voting in favor of the recall. When the Governing Documents provide that only a

specific class of Members are entitled to elect a Director or Directors, only that class of Members may vote to recall those Directors so elected.

(b) Recall without a Meeting. Directors may be recalled by an agreement in writing or by written ballot without a membership meeting. The agreement in writing or the written ballots, or a copy thereof, shall be served on the association by certified mail or by personal service in the manner authorized by Chapter 48, Florida Statutes, as amended from time to time, and the Florida Rules of Civil Procedure. The Board shall duly notice and hold a meeting of the Board within 5 full business days after receipt of the agreement in writing or written ballots. At the meeting, the Board shall either certify the written ballots or written agreement to recall a Director or Directors of the Board, in which case such Director or Directors shall be recalled effective immediately and shall turn over to the Board within 5 full business days any and all records and property of the Association in their possession, or proceed to binding Arbitration as described in sub-section (c) hereof. If it is determined by the Florida Department of Business and Professional Regulation pursuant to binding arbitration proceedings, as provided in sub-section (c) below, that an initial recall effort was defective, written recall agreements or written ballots used in the first recall effort and not found to be defective may be reused in one subsequent recall effort. However, in no event is a written agreement or written ballot valid for more than 120 days after it has been signed by the Member. Any rescission or revocation of a Member's written recall ballot or agreement must be in writing and, in order to be effective, must be delivered to the Association before the Association is served with the written recall agreements or ballots. The agreement in writing or ballot shall list at least as many possible replacement Directors as there are Directors subject to the recall, when at least a majority of the Board is sought to be recalled; the person executing the recall instrument may vote for as many replacement candidates as there are Directors subject to the recall.

(c) Failure to Certify Recall/Arbitration. If the Board determines not to certify the written agreement or written ballots to recall a Director or Directors of the Board or does not certify the recall by a vote at a meeting, the Board shall, within 5 full business days after the meeting, file with the Florida Department of Business and Professional Regulation a petition for binding arbitration pursuant to the applicable procedures in Sections 718.112(2)(j) and 718.1255, Florida Statutes, as amended from time to time, and the rules adopted thereunder. For the purposes of this Section, the Members who voted at the meeting or who executed the agreement in writing shall constitute one party under the petition for arbitration. If the arbitrator certifies the recall as to any Director or Directors of the board, the recall will be effective upon mailing of the final order of arbitration to the Association. The Director or Directors so recalled shall deliver to the board any and all records of the Association in their possession within 5 full business days after the effective date of the recall.

(d) Failure to Hold Meeting. If the Board fails to duly notice and hold a board meeting within 5 full business days after service of an agreement in writing or written ballots containing sufficient votes to recall a Director or Directors, the recall shall be deemed effective and the Directors so recalled shall immediately turn over to the Board all records and property of the Association.

(e) Minutes of Board's Recall Meeting. The minutes of the Board meeting at which the Board decides whether to certify the recall are an official Association

record. The minutes must record the date and time of the meeting, the decision of the Board, and the vote count taken on each Director subject to the recall. In addition, when the Board decides not to certify the recall, as to each vote rejected, the minutes must identify the parcel number and the specific reason for each such rejection.

Section 4. Compensation. No director shall receive compensation for any service he may render to the Association. However, any director may be reimbursed for his actual expenses incurred in the performance of his duties.

Section 5. Action Taken Without a Meeting. The directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all the directors. Any action so approved shall have the same effect as though taken at a meeting of the directors.

ARTICLE V

NOMINATION AND ELECTION OF DIRECTORS

Section 1. Nomination. Nomination for election to the Board of Directors shall be made by a Nominating Committee. Nominations may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a Chairman, who shall be a Member of the Board of Directors, and two or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors prior to each annual meeting of the Members, to serve from the close of such annual meeting until the closed of the next annual meeting and such appointment shall be announced at each annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Such nominations may be made from among Members or non-members.

Section 2. Election. Election to the Board of Directors may be by secret written ballot or upon open, oral vote. At such election the Members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.

ARTICLE VI

MEETING OF DIRECTORS

Section 1. Meetings. A meeting of the Board of Directors of the Association occurs whenever a quorum of the Board gathers to conduct Association business. The first regular meeting of the Board of Directors shall be held within one year from the date of incorporation of the Association. Regular meetings of the Board of Directors shall be held at such time and place as shall be determined from time to time, by a majority of the Directors. All meetings of the Board must be open to all Members except for (i) meetings between the Board and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by the attorney-client privilege; or (ii) meetings

between the Board and its attorney with respect to meetings held for the purposes of discussing personnel matters. Except as provided below, notices of all Board meetings must be posted in a conspicuous place in the subdivision at least 48 hours in advance of a meeting, except in an emergency. In the alternative, if notice is not posted in a conspicuous place in the subdivision, notice of each Board meeting must be mailed or delivered to each member at least 7 days before the meeting, except in an emergency. Notwithstanding this general notice requirement, the Board may provide notice of a schedule of Board meetings.

An assessment may not be levied at a Board meeting unless the notice of the meeting includes a statement that assessments will be considered at the meeting and the nature of the assessments. Written notice of any meeting at which special assessments will be considered or at which amendments to rules regarding parcel use will be considered must be mailed, delivered, or electronically transmitted to the Members and parcel owners and posted conspicuously on the property or broadcast on closed circuit cable television not less than 14 days before the meeting. Directors may not vote by proxy or by secret ballot at Board meetings, except that secret ballots may be used in the election of officers. This subsection also applies to the meetings of any committee or other similar body, including the Architectural Review Board.

Section 2. Special Meetings. Special meetings of the Board shall be held when called by the President of the Association or by any two (2) Directors.

Section 3. Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board.

Section 4. Petitions by Members. If 20 percent of Members entitled to vote petition the Board to address an item of business, the Board shall at its next regular Board meeting or at a special meeting of the Board, but not later than 60 days after the receipt of the petition, take the petitioned item up on an agenda. The board shall give all Members written notice of the meeting at which the petitioned item shall be addressed at least 14 days before the meeting. Each Member shall have the right to speak for at least 3 minutes on each matter placed on the agenda by petition, provided that the Member signs the sign-up sheet, if one is provided, or submits a written request to speak prior to the meeting. Other than addressing the petitioned item at the meeting, the Board is not obligated to take any other action requested by the petition.

ARTICLE VII

POWERS AND DUTIES OF THE BOARD OF DIRECTORS

Section 1. Powers. The Board of Directors shall have power to:

(a) Suspend the voting rights and right to use of the recreational facilities of a Member during any period in which such Member shall be in default in the payment of any assessment levied by the Association. Such rights may also be suspended after notice and hearing, for a period not exceed sixty (60) days for infraction of published rules and regulations;

(d) Issue, or to cause an appropriate officer to issue, upon demand by any person, a certificate setting forth whether or not any assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Financial reports shall be prepared in accordance with Section 720.303(7), Florida Statutes, as amended from time to time.

Section 3. Contracts for Products and Services. Any contract that is not to be fully performed within 1 year after the making thereof for the purchase, lease, or renting of materials or equipment to be used by the Association in accomplishing its obligations hereunder and under the Governing Documents and all contracts for services, shall be in writing.

(a) Competitive Bidding. If a contract for the purchase, lease, or renting of materials or equipment, or for the provision of services, requires payment by the Association that exceeds 10 percent of the total annual budget of the Association, including reserves, the Association must obtain competitive bids for the materials, equipment, or services; provided, however, the Association shall not be obligated to accept the lowest bid for the materials, equipment or services. This competitive bidding requirement shall not apply to contracts to provide materials, equipment, or services provided to the Association under a local government franchise agreement by a franchise holder; contracts with business entities that are the only source of materials, equipment, or services within the county serving the Association; contracts with employees of the Association; or contracts for attorney, accountant, architect, community association manager, engineering, and landscape architect services.

(b) Renewal of Contracts. If a contract was awarded under the competitive bid procedures of this Section, any renewal of that contract is not subject to such competitive bid requirements if the contract contains a provision that allows the Board to cancel the contract on 30 day's notice.

(c) Management Contract. A contract with a Manager, if made by a competitive bid, may be made for up to 3 years.

(d) Emergencies. Nothing contained in this Section is intended to limit the ability of an association to obtain needed products and services in an emergency.
